Following the Lord means nothing less than the cross (3): offering ourselves with Jesus as a living sacrifice and not conforming ourselves to this world (2). Following him will entail derision and scorn (1), yet the Lord is our help (Ps).

Resolving Chapter 11

For the past three years we have been working to achieve justice for past victims of sexual abuse through our Chapter 11 case. At the same time, we seek to maintain and continue the mission of the Diocese, its parishes, and other Catholic entities in the Diocese (“Catholic Family”). These efforts have borne fruit.

The Diocese has reached settlement with the Official Creditors Committee and some insurers that will resolve all sexual abuse cases filed against the Catholic Family. The Diocese will contribute approximately \$10 million to the trust to be established under our Plan of Reorganization (“Plan”), and the parishes and other entities will contribute approximately \$35 million. While it will be painful for all of us, we need to keep in mind the terrible burden carried by those who were sexually abused by those entrusted with their spiritual care. No dollar amount can bring the healing that is needed: only the grace of God can accomplish that.

Resolving these CVA claims and coming out of Chapter 11 is at hand. We are hopeful that the Plan will be approved in the next few months and that we will move forward with great hope, free from the burden of continued litigation.

Please keep the survivors foremost in your prayers. Please pray also for Bishop LaValley, his advisors, and every member of the Catholic Family. We are One Body in Christ and, with the grace of God, we will support and encourage each other throughout the Diocese as we continue the mission of sharing the Gospel with our lives.
